## CLUB ADDRESS

**BCCNEPA**  
**PO BOX 181**  
**WAVERLY, PA 18471**

## HIGHLIGHTS

**Feb. 16: Club Holiday Party, Quality Inn Tribeca Center Dupont**

**Feb.26-29 Atlantic City Classic Car Auction**

**Mar.20: Club Meeting, Marvelous Muggs, Davis Street**

BCCNEPA January 17th held at Milestone Ranch was called to order by Ken Cooney, Vice President. The November minutes approved and Mike gave the Treasurer's report. The evening's 50/50 was won by LuAnn Bixler. The meeting was attended by 18 hearty souls who braved the weather. The following are the items discussed:

**NAMGAR INSURANCE:** Bruce received notice that not enough chapters agreed to purchase insurance through NAMGAR; so we will have to renew our own insurance to cover our officers as we have in the past. We are hoping that in the future there will be enough chapters to go through NAMGAR.

**HOLIDAY PARTY:** The deadline is extended until January 31st to make reservations for the club's holiday party. Next month's meeting will be held at the holiday party. The 6:30-7:30 cocktail party is being paid for by the club; afterward a cash bar is available. The dinner is buffet and includes hors d'oeuvres, salads, two main entrees, carving station, potatoes, pasta, vegetables and desserts. Sounds like a great evening!

**WEBSITE:** Our website has been updated, and is now easier to navigate. Kim will write an update about the website for a future newsletter. We received a bill from the Keystone Club for our portion of the shared on-line calendar.

**OUR CAR SHOW:** Norm and Ken handed in our application for the use of South Abington Park for our car show. They accepted our application and will rule on it at a later time; but they commented that they appreciate us using the park and don't foresee any problem with approval.

**TECH SESSION:** Much discussion followed on ideas for the tech session at Jeff's garage. Some ideas were: how to buff out a car without getting swirls, how to change an electronic emission system, how to correctly dye-color a convertible top, how to install a new top, or invite a good detailer to give a demo. Since Bruce needs a new top for his car, Mike will find out the charge for a top to be installed on a MGA by a person he knows and report back to Ken. Depending on what the installer might charge above the basic install fee to do it as a demo, that may be the tech session at Jeff's.

**IN ATTENDANCE:** Jack & Joan Kinsella, Bill & Carol Shamonsky, Ray & Jan Scafard, Bruce & Veronica Decker, Joe Crawley, Jeff & Gayle Decker, Michael Coffey, Bob Watkins, Garvin & LuAnn Bixler, Ron Rosser, Ken & Jenny Cooney
