

BCCNEPA

BCCNEPA: The Feb. 16th Meeting was held at the Tribeca Banquet Center (formally Queen Victoria Oasis). The meeting was called to order by Harry Ware, President. The January minutes were approved and Mike gave the treasurers report. There were 34 members in attendance. The following items were discussed:

January Meeting: Thanks to Ken Cooney and Mike Coffey for running the January meeting. We also want to extend our gratitude to all the members that braved the elements to attend.

BCCNEPA Holiday Party: A very special thank you to Veronica Decker for arranging this years holiday party. Once again Veronica a job well done! We really appreciate all your hard work in putting together such a spectacular event. The party was held at the Tribeca Banquet Center. It was a fun time for all attending. Our night started with cocktails from 6:30-7:30 paid for by the BCCNEPA. There wasn't a moment that everyone's needs weren't addressed by the prompt service of the Tribeca. With several waitresses circulating the room with delicious hors d'oeuvres and taking drink orders. The main course and desserts were enjoyed by all. We were then asked to join our newlyweds, Ron and Lisa on the dance floor for their first dance. The band had everyone hopping with their music selections of the evening. The best part of the night was being able to mingle with all the members and catch up on what's new with everyone. It was a great time for all!

A Member Merger: Congratulations to Ron and Lisa Roberts who joined us on their wedding day. They surprised us all with the happy news. Lisa was a beautiful bride and they both, along with their family and friends had a very memorial evening.

Founding Members: It was truly an honor to have Don and Florence Shepard join us for our holiday party. The Shepard's are one of the founding members of the British Car Club. We all thank them for their vision in starting the club and honoring us with their presence. There was no holding them back driving from Honesdale to Wilkes Barre and then joining us all on the dance floor. Your an inspiration to us all!

Car Club Show: Norm and Ken submitted our application for the July car club show. The application will be ruled on at the next township meeting. They don't foresee any problems.
