Old Business:

Steve Jennings Esquire: Dec.3,2007 Annual Meeting of Board of Directors Of British Car Club of NEPA, New officers for 2008. Mike will have a report on the car club for the IRS.

Feb. Holiday Party was a great party thanks to Veronica Decker. The event keeps getting bigger and better each year with 43 people in attendance.

New Business:

The BCCNEPA Car Show: will be held at the South Abington Township Park again. The date is set for July 27,2008.Discussions were held on judging of cars. One suggestion was to have another car club do the judging. Worries of the same participants winning each year would cause drop in attendance. Mike suggested holding a participants choice show. You will only get 1 vote similar to Brit Fest. Bob suggested having a Premiere Class which was voted on all in favor.

The car club will have food again this year. We went through 150 hamburgers last year. We will add more to the menu this year but keep it simple texas wieners, chips etc...The food items were a great money maker for last year. Ken will check to see if a grill will be there for our use this year and also borrow a PA system. The one from last year didn't work and caused problems when announcing the winners. Suggestions for next year to get the Big Boppers. Nancy will check into cost and availability. The Rossi/McGurl Project will be booked for this year from 11:00-3:00 with the cost being the same as last year.

Harry received the video of last years Car Show. He was unable to run the CD so Joel offered to try to get them to work.

Britfest 2008: will be 5/3/2008, Succasubba, NJ. The registration sheet was included in last months newsletter. Members will meet at the Holiday Inn Dunmore departing at 7:30am then go to the Milford Diner for breakfast first.

Correspondence: BCCNEPA President Harry Ware recieved an e-mail from Jason Mulhall requesting info on membership. He is currently serving active duty and stationed in Bagdad. He purchased a 1968 Wolseley 1300 while in London in 2003. While finishing his tour of duty he was wondering if his mom and her boyfriend could use his membership while he's away. The BCCNEPA all agreed that that arrangement would be fine.
