BCCNEPA CAR SHOW 2007

Our Annual Car Show is getting bigger and better each year. For our 5th year, we beat last years number and had 80 British Cars and 1 Motorcycle. Next year we aim to beat this again. The weather cooperated, though all week the forecast looked like rain. BCCNEPA thanks all Members, Show entrants and the walk-ins for making the day a success.

After looking forward to the new food vendor and waiting for coffee & breakfast while setting up, we learned the poor fellow's food wagon was stuck in mud at a previous Fair and unable to get towed out. Our Members pulled together, went to the super-market for supplies, charcoal etc. and utilized the park's grill. We had hamburgers, hotdogs soda and water. They did a marvelous job of improvising and feeding the hungry crowd. With the bake sale and ice cream no one went hungry.

A special thanks to Ron Roberts & Lisa Jumper and their helpers for the door prize and raffle set ups. The new system went well. Thanks to all who donated toward this.

Lou Danzico and Chris from Comcast Cable "Scranton Today" (TV 61) continued taping for their segment of the Club and Show to be shown at a later date. Lou will let us know when.

The bake sale, 50/50 and regalia all went well, and we enjoyed the music of The Rossi/McGurl Project.

Congratulations to all Show Winners.

Again, thanks and appreciation to all Members who provided equipment and volunteered to help work the Show. Without your help and support the Show would not be a success.
