BRITISH CAR CLUB OF NEPA

WEBSITE UPDATE: Kim de Bourbon has totally updated our website over the past few weeks. She has done a fantastic job of getting our site to a place where it's informational and useful. In the remodel, the focus of the site is now its members. Our club photos of members and club events will be front and center. Kim is working with Ed Ostrowsky to totally revamp the member gallery shots. So start collecting the best pictures of you and your car for our new gallery section. Additionally you'll notice a Resources Tab; this is going to serve a dual purpose. Inside the resources Tab is a Tech section with articles, YouTube videos and links to other tech sites with other clubs. So if you run across anything you'd like added or you think it would be valuable, please let Kim or Ed know and we'll add it to the site. The second area of value is the Local Resources section. As a club, it'll be in our best interest to list all of our service sites, paint shops, restoration shops, upholstery shops etc. Please e-mail Ed or Kim your favorite mechanics and go to people to list on the website. Please give the most complete list possible, full name, address, phone number, website, hours etc. We have such a limited supply of trained technicians that we need to make sure that we share the "good ones" and more importantly steer away from the bad ones. There is also a link to our FACEBOOK page off of our website.

Kim has done such an excellent job, the club has decided to retain her for 2013 again.

Keystone Regional Rally- It will be our responsibility to conduct the "Tri-Club" Rally this August for the regional British car clubs. The region includes BCCNEPA, British Car Club of the Lehigh Valley, and the Keystone Region MG Club.

NEW VENUE FOR BCCNEPA CAR SHOW- Our Traditional site, the Abington Sports Complex, will be closed for the summer due to the site being used as a staging area for a sewage system upgrade in that area. **We are officially now looking for a new site.** Possible locations discussed were:

Swetland House	Dalton Fire Company	Nay Aug Park	Sherwood Park
Courthouse Square	Mohegan Sun Arena	Moffat Estate	Steamtown
Wyoming Valley Airport		Yankee Stadium	McDade Park

BCCNEPA Valentines Party – Veronica and Bruce Decker have been running point on this. The party will be held on Sat, Feb 16th at Colarusso's in Moosic, Pa. The cost will be \$40.00 per person, BOGO (Buy one Get one). Veronica is finalizing the menu and we'll post it on the website as soon as it and more details are available.

2013 Meeting Locations – After an exhaustive search by board members Ken Cooney and Jeff Decker, (beers and cocktails), several sites were discussed at the meeting. Lucky's for the southern crowd, JJ Bridges in Clarks Summit, Doc McGrogans and Matteos in Moosic. **Our January meeting will be at Doc McGrogan's on the 17th** at normal meeting times.
